1. Text

Hello,

My name is Mary. I am thirty-four and I am a dentist. I have got a husband. His name is Matthew. He's thirty-two and he's the manager of a restaurant, so he's really very busy. He's very happy because a lot of people like going there for their lunches and meals. My job isn't so popular. Some people don't want to go to their dentist's surgery when they have got a problem with their tooth.

Matthew and I have got a son and a daughter. The son's name is John and the girl's is Susan. John is fourteen, so it's sometimes difficult with him. He's a student. He likes listening to music. Susan's only six. She's very nice. Matthew and I love her very much, but John isn't so keen on her. He thinks that we prefer spending time with her, but he's not right, of course.

We live in a small house in Bristol. There is a kitchen and a living room on the ground floor and three bedrooms with a bathroom and a toilet on the first floor. The house has got a large garden. It's my husband's hobby. What about me? I love going for walks and reading. I have got lots of books.
