1. Text

Dear Elizabeth,

My holidays ended two days ago and now I am back at school. I spent two weeks in Prague, in the Czech Republic. It was great. What a city! You can find everything there – historical sights, beautiful old houses and streets, lots of museums and galleries... We spent two whole days at Prague Castle. Really!

I am also sending you some photos of the famous clock. It's near the Old Town Square. You must see that. The bad thing is that there are always lots of people around. So it is quite busy. I took a lot of photos near the Vltava river, too. You're going to love them. We went through the romantic streets, had lunches in the restaurants by the river. Lovely! And there is one thing I liked most. The trams. It's a pity there aren't any in London. I mustn't forget the Czech beer. That's really something.

One afternoon, when we were just having a meal in one of the lovely restaurants near the centre, a funny little thing happened. A young girl was sitting at a table near the window. Just when we wanted to pay and leave she started asking us about our stay, how we liked the town and some more questions. I don't know, but maybe she was a journalist or something. How unusual!
