1. Text

Dear Susan,

I am just visiting London. I have been here before, of course, but I never had the time to visit all the places I wanted to see. I am here for two weeks, so this is going to be a great chance to enjoy the culture. I am planning to visit some galleries and museums, too. I am staying with Peter and Jane. Have you heard of them? They're my old school friends. Their place is near the centre, so it's easy to get anywhere.

Yesterday we all went to see Hamlet at the Globe. I have never been to this theatre, so I was looking forward to it a lot. The play was fantastic. I can really say it was the best performance I have ever seen. There was a wonderful atmosphere and the actors were really great. When the play ended we went for a late supper and talked about the performance a lot.

What about the next week? Well, I am going to visit the British Museum on Tuesday. There is going to be a special exhibition of modern art. The only thing I don't like is that I will probably go there without my friends. They're not so keen on art. I hope this won't matter too much.

How are you? Are you enjoying your holidays?

Adam
